LETTER OF COMMITMENT

ONE EUROPE FOR GLOBAL HEALTH

One Europe for Global Health is a coalition of actors comprising all facets of civil society. The mission of One Europe for Global Health is to improve and integrate Global Health and One Health priorities into European policies, strategies and actions by engaging European civil society and convening actors from all sectors.

The One Europe for Global Health coalition is managed by a **Steering Committee**, which leads and approves the selection of a **Coordination Committee**, including **Advisory Experts from Civil Society Organizations** and **Partner Foundation Experts**. In addition to the Coordination Committee, the coalition includes a diversity of **Members** directly involved in the organization supporting it and contributing to the overall One Europe for Global Health mission.

This initiative was launched by the One Sustainable Health for All Foundation in partnership with the World Health Summit and the Karolinska Institutet. By signing, members agree to the One Europe for Global Health Mission Statement, Actions, and Organization.
